

HAVE YOU RECENTLY HAD TROUBLE OR DELAYS IN GETTING ON, OR STAYING ON, BENEFITS FROM DSS?

Have you tried to **apply** for benefits (HUSKY, SNAP, TFA, Medicare Savings Program, Aid to Aged, Blind, Disabled, or SAGA) at the Department of Social Services (by phone, on line or in person) since the statewide Coronavirus shutdown in March and been unable to apply?

Have you been able to apply for any of these benefits but been **waiting** for a long time to get on?

Have you been **cut off** any of these benefits you were already on, since the shutdown?

If so, and you are going without benefits, please contact Sheldon Toubman at New Haven Legal Assistance Association, at stoubman@nhlegal.org or (203)946-4811, ext. 1148
